

This month we have enjoyed celebrating lots of different events and special days! This includes, World Vegan Day, Bonfire Night, World Kindness Day, Remembrance Day, Children In Need, Gingerbread day, Maths Week and Road Safety Week. Next month we are looking forward to be in full swing of Christmas crafts however we will still be celebrating some special events and days such as International Cheetah day, Christmas Jumper Day, Hannukah and National Robin Day.

Jelly Babies and Tots Highlights

Babies have been exploring sand with some hidden objects inside, they had to feel around in the sand to find the insects and bugs.

They have also created some poppies and fireworks using various tools to create marks!

This month in Tots we've been very creative! We have made junk modelling and explored a glitter firework tray. We have been using the balance beams to build on our physical development. We also enjoyed learning about remembrance day by exploring a poppy gloop tray and painting our own poppies.

Amelia - Baby Room Lead **Zoe** - E.Y.E

Liv - Tots Room Lead, Deputy SENCo **Jorja** - Apprentice

Jelly Beans Highlights

This month we have been learning how to make a delicious wrap for our tea! We have been practicing holding a knife in order to spread ingredients onto our wraps and choosing our own yummy fillings. This type of activity helps us to develop our fine motor skills, hand eye coordination and learn how to be more independent.

We have been developing our number and counting skills up to 10 and learning how to create tally charts, a simple way of using marks to collect data.

We have been learning about Remembrance Day and why we wear poppies. We learnt we wear poppies to remember those who helped to make our world a better place. We made some beautiful poppies of our own to wear and display to show that 'We Remember'.

Leah - Room Lead **Wendy** - Quality Lead

Liberty - E.Y.E **Ellie** - E.Y.E
